

COMPANY PROFILE

2025

شركة ابهام أخضر للمقاولات
GREEN THUMB CONTRACTING CO.

Introduction

We believe that the future belongs to those who are smart enough to challenge it. We believe that real progress belongs to those who not only think with courage but also have the courage to deliver on the thought, Tomorrow's answers are delivered today. The members have undertaken various prestigious projects in the Kingdom of Saudi Arabia regarding landscape, irrigation, horticulture, plantation, Civil, Electromechanical, construction, and HVAC and delivered the best results.

New business ventures have exposed us to a multitude of geographical and professional disciplines. What drives us is to know that what is good for our clients today is not necessarily good enough for them, now and tomorrow. What excites us is asking the unasked question. What inspires us is seeing the opportunity others cannot. What unites us is the intelligence to deliver where others have not. This benefits our clients because we sustain their present and future competitiveness and meet the client's unspoken needs. Ambition defines us; this is the way we work. Therefore, we come to work.

The members of Green Thumb Contracting Co. (GTCC) are proud to be one of the leading experts in their fields. After the successful ventures in the Kingdom of Saudi Arabia and Pakistan, the members of GTCC decided to apply their knowledge and skills gained from 40 years of practical experience and work to join under one umbrella at GTCC. Our businesses are Soft and Hard Landscaping, Irrigation, designs and maintenance, Plant propagation, and production in our nurseries, Civil works including construction, Electromechanical works, HVAC, Supply of trees locally and from around the world, Import and Export, Irrigation, and Maintenance.

CEO Message

Green Thumb's mission is Green and Clean Environment in Saudi Arabia through modern techniques in the fields of horticulture, landscaping, irrigation, and technical design expertise.

We believe in adding great value to the Vision 2030 of The Kingdom of Saudi Arabia through the skills and expertise acquired over the years by delivering the best experience through the designs and execution of excellent services to our clients.

Chief Executive Officer

Nasim Mahmood

M.Sc. Horticulture.

VISION

To establish GTCC as a recognized leader in agriculture and other related services globally, we have a strong presence in the Middle East, South, and Far East Asian regions where we are able to not only meet but exceed the expectations of valued customers. Having a strong presence in the local market, aspires to be a company that has the capacity to attract the most talented and motivated professionals who have both the skills and drive to deliver.

- Focusing on our client's future first
- To maintain high quality standards
- To continually upgrade our services
- To optimize use of Natural Resources
- Have Integrity and responsibility in our actions
- To ensure safe environments for future generations

Portfolio

Green Thumb Contracting Co. is proud to create Mega Construction Projects, environmentally friendly outdoor areas, and everything from soft and hard landscaping to hydroseeding, nursery operations, and precision irrigation solutions. With a global footprint, our successful projects are the Princess Nourah University for Women, which is wellknown, and the large 14-acre park located in Islamabad, Pakistan.

Our portfolio includes both private compounds and significant government projects, showcasing a wide range of accomplished projects.

Malls Construction

Our Mall Construction branch is a quality model, combining creativity and accuracy in every stage of the building process. We plan and execute projects methodically, creating inspiring settings from grand design to finishing touches. Our skilled crew ensures projects are completed on time and under budget, promoting sustainability, quality, and safety. We aim to create structures that harmoniously combine design and utility.

Sustainability Builds

At Green Thumb Contracting Co., we believe in sustainability as a way of life, and we make sure to incorporate this belief into all our operations, including Soft and Hard Landscaping, Hydro Seeding, and more. We aim to create green spaces that are not only beautiful but also contribute to the well-being of our planet. We are dedicated to implementing sustainable practices in every project we undertake, whether it involves growing plant life in our nurseries, installing water-efficient irrigation systems, or creating eco-friendly landscapes. We take our commitment to sustainability a step further by partnering with likeminded, eco-friendly companies for business and procurement purposes. This ensures that our projects are not only aesthetically pleasing but also embrace the essence of sustainability from start to finish.

If you're looking for projects that combine innovation, aesthetics, and a steadfast commitment to a greener and more sustainable world, choose Green Thumb Contracting Co.
